Overview of Policies & Procedures

- Tuition is due during the first week of the month. Accounts that are more than one month behind will result in the child staying home until the account comes current. Tuition must be paid for all months in which the child is officially enrolled. Written withdrawal from the program is required in order to release liability from tuition obligation.
- Yearly tuition is divided into 9 monthly payments plus a supply fee. Tuition will not be prorated for absences, holidays, or for unforeseen circumstances related to weather, the church campus, or illness.
- Closings and delays ae reported via REMIND text service and our preschool Facebook page.
- Sick children are not permitted. All must be fever, vomit, and diarrhea free for a minimum of 24 hours.
- Communicable diseases must be reported to staff and staff will communicate the information via written notice to families.
- All children must be independently potty trained and wearing underwear.
 Children are to wipe own bottoms.
- We have an open door policy for visiting parents! Siblings are not permitted to visit during class time as it very distracting for other students.
- Drop-off and pick-up occur at the front preschool door via car line. We can help your child in and out of the car but are not allowed to buckle seat belts and car seats. Please pull over to our parking lot to buckle. Only those designated as parent/guardians and emergency contacts are approved to pick up children. Please list all other possible pick-up people on a separate paper and submit too preschool.
- In the case of custody issues, court papers must be submitted to the director for the child's file.
- Children will take turns with the "snack sack" and provide a snack to share. We are a peanut free program may not serve popcorn.
- Children requiring medication be kept on site must have Request to
 Administer Medication and Care Action Plan forms on file along with the

medication <u>ONE WEEK PRIOR TO THE START</u> <u>OF SCHOOL</u>. A meeting with the director is also required.

- Behavior is managed first through redirection, distraction, and a possible calm
 down period separate from the group. Serious or on-going issues will be
 addressed in writing and with parent, teacher, and director discussion.
 Dayspring Christian Preschool reserves the right to release a child from the
 program at any time.
- Our staff is current in all state required professional development and health trainings and are mandated reporters.
- Our classes maintain state required teacher: child ratios or better at all times.
- Evacuation plans are posted in each classroom. Parents will be advised via Facebook, REMIND and WMRN radio.
- In case of injury or illness, incident reports are kept in children files.
- Our curriculum is thematic, play, and faith based. We focus on developing the whole child.
- Staff includes director Lara Fogle, 4-5 team Lara Fogle & Sierra Jones. 3-4 team members are Diane Jankowski, & Kim Tyree.

What Does Independently Potty Trained Mean?

Children enrolled in Dayspring Christian Preschool must be potty trained and able to wear underwear. A child having accidents daily or even 3 times weekly is NOT potty trained. Please note that wearing pull-ups is NOT considered potty trained.

Why do children need to be potty trained before beginning preschool?

- There are strict state licensing standards for changing and disposing of wet and soiled diapers/pull-ups and our classrooms are not equipped for these requirements.
- When an adult is busy changing a child's soiled clothing, it is taking away from learning time for all students and removes one adult from the direct supervision of and interaction with the rest of the class.

We do understand that potty trained children will have accidents. By definition, "accidents" are unusual incidents and should happen infrequently. In these instances, a teacher will assist a child in changing soiled clothing while encouraging independence in said process.
