Restoration 2024 Informational Meeting

May 4 / 9:00-11am / Community Room

For one week every summer, local churches work together to restore hope in our community. This can only be accomplished through volunteer participation. We are looking for individuals willing to be a team leader and join us for a brainstorming session to suggest projects that will benefit our community. Project leads need to be able to manage people and/or be knowledgeable in various trades or skills. If you are interested in being a part of this community outreach or just want more information, please join us on May 4th. To attend, sign up at the Information Desk or email Pastor Alex at aworkman@dayspringwesleyan.org.
