Church Voting...

One of the benefits of being a member of Dayspring is the ability to participate in local church voting. This election gives Dayspring members a chance to use their voice to choose fellow members to represent the congregation in making decisions for our church, as well as, delegates to represent Dayspring at the Greater Ohio District Conference this summer. **This vote will take place Sunday, May 18 before and after each service.** To learn more about the candidates, pick up a biography booklet at the Information Desk today.
