Conquer Your Secret

We are excited to announce we are currently forming a group for men (18+) looking to find freedom from addiction to pornography. Whether you struggle daily or infrequently, you know the fight is real and so are the consequences. Now you'll have a safe place at Dayspring with a platoon of men to fight alongside you. If interested, scan the QR code to find more information about the material, get on the contact list, and be asked to answer a single question survey to help us find the best time to schedule this group.
